Tushar Kumar Tiwari

+91 8122061903 | tushartiwari91410@gmail.com | linkedin.com/in/tushar-kumar-tiwari | github.com/TusharCodeup

Technical Skills

Languages: C++, Python, Java
Data & AI: Pandas, NumPy, Scikit-learn, LangChain, HuggingFace
Backend & Web: Django, FastAPI, HTML5, CSS3, React.js, REST APIs
Databases: MySQL, MongoDB(Learning)
Tools: Git and GitHub, Excel, Google Sheets, Jupyter, Google Colab

Projects

CampusHire – Full-Stack Job Portal | *Java, React, SQL* Sep 2025 – Feb 2026

- Architected a scalable job-matching platform serving 1,000+ users; designed REST APIs and optimized database queries reducing response time by 40%
- Implemented role-based access control and secure authentication; built intuitive UI/UX following Figma designs
- Conducted user analytics to identify engagement patterns and drove product decisions to improve client retention

IPL Match Prediction Platform | *Python, FastAPI, React.js, CSS, Scikit-learn* Apr 2026 – Present

- Designed REST APIs with FastAPI and developed interactive dashboards with React.js and Recharts for real-time analytics
- Live win-probability models using Scikit-learn, leveraging historical and real-time match data
- Performed data preprocessing, feature engineering, and team analytics on Cricsheet IPL datasets to optimize prediction accuracy

Video Anomaly Detection System | *Python, OpenCV, Random Forest* Jan 2025 – Aug 2025

- Developed real-time anomaly detection with 92% precision and 88% recall on live video streams
- Optimized inference pipeline for sub-200ms latency, demonstrating performance engineering expertise
- Delivered actionable alerts to stakeholders, reducing manual monitoring effort by 60%

Leadership & Initiatives

Competed as a school delegate in the district chess championship at IIT Madras.

Core Member in workshop and event management teams; coordinated cross-functional academic initiatives

Exploring UI/UX trends and creative web designs; enjoy football, badminton, and tech podcasts

Education

Vellore Institute of Technology Bhopal, MP
B.Tech in Computer Science; CGPA: 8.54 *Aug 2023 – May 2027*

Kendriya Vidyalaya No.1 Arakkonam Tamil Nadu
Senior Secondary (12th);Percentage: 78.2% *Aug 2022 – May 2023*

Kendriya Vidyalaya, Ghazipur Uttar Pradesh
High School (10th); Percentage: 94.8% *Aug 2021 – May 2022*

Certifications

Cloud Computing – NPTEL

Data Visualization: Empowering Business with Insights

Internet of Things – NPTEL

Machine Learning Specialization –Stanford
